

501.107 Certifications.

(a) A new requirement for a certification by a contractor or offeror may not be included in the GSAR unless

- (1) The certification requirement is specifically imposed by statute; or
- (2) Written justification for such certification is approved by all of the following:
 - (i) The head of the contracting activity (HCA);
 - (ii) The Senior Procurement Executive (SPE); and
 - (iii) The GSA Administrator.
